

European Wado Cup 2009

Edinburgh

Accommodation Bulletin: 2

Dear Friends and Colleagues in Karate,

Firstly I would like to thank you all for your enquiries and bookings at the Event Hotel.

I would ask that those of you, who have not yet booked, please give consideration to booking Triple Rooms as our allocation of Double and Single Rooms which are still available are now becoming less available.

I would also like to advise you that I am receiving a large number of enquiries from friends and family members of your teams who would like to book rooms in our hotel. I have had to advise them that they can only book the hotel as part of the official delegation and through one single point of contact.

If you have not already made enquiries about the event hotel I can only stress that this is proving to be a very popular arrangement and unless you show an interest with preliminary numbers attending I will be unable to reserve your stay and ensure your place within our hotel.

Thank you for your support in this matter and I Look forward to seeing you in Edinburgh.
