

European Wado Cup 2009

Edinburgh

Accommodation Bulletin: 3

Dear Friends and Colleagues in Karate,

Firstly I would like to thank those of you who have booked "The Event Hotel". This event will revolve around "The Event Hotel" and I can assure you that your group will be in the middle of things. You can look forward to an electrifying atmosphere.

I can report the hotel is now at 81% occupancy and that there are only 32 rooms left available at our current negotiated room rate.

For those of you who have still to book, of the 32 rooms, the majority are triple rooms and I would ask you to give consideration to other attending nations and, as far as possible occupy triple rooms when making your booking.

I must advise you at this time, if you have not reserved your accommodation your booking may be the subject of a late booking supplement. This will be the case if all available rooms are sold and we need to reserve more expensive rooms at the hotel.

If you have not already made enquiries about "The Event Hotel" I can only stress that this is proving to be a very popular arrangement and unless you show an interest with preliminary numbers attending I will be unable to reserve your stay and ensure your place within our hotel.

Thank you for your support in this matter and I Look forward to seeing you in Edinburgh.
